Spotlight on VBS Volunteer roles: Imagination Station/Crafts Station:
The Imagination Station leader encourages creativity and brings the Bible point to life through interactive and impactful illustrations for groups of elementary age kids. This will be a station with a combination of crafts and/or science experiments throughout the week to engage children in learning about the Bible point for the day and to point kids to our True North, Jesus!

Sticky Scripture Leader: This master of discussion shares Bible-point-reinforcing video resources with groups of elementary age kids before leading them in discussion on how they can apply the point to their own lives.

Want to purchase items from the wishlist for VBS to help make this week a transformative experience for kids in our community? Use this link: [VBS Wish List](#)

Items to save for VBS (additional donation items will be shared as planning continues):

- Large pieces of cardboard (preferably flat) like what a TV or appliance comes in
